DIANE M. AUSTIN

2006-2007 The Lamp Yearbook Dedication

Presented on April 12, 2007

At the Lasell College Awards Banquet

Each year, the yearbook is dedicated to someone in the Lasell community who has made an impact on the lives of the students, and this year is definitely no exception. The chosen recipient of the 2007 yearbook dedication is a very thoughtful, caring woman whose responsibilities to the student body exceed expectations - showing her constant support of the students in numerous ways. Some examples of this include attending events sponsored by Lasell's clubs and organizations each year, cheering on Lasell's sports teams to victory, and meeting and greeting both new and current students at events such as New Student Orientation and Family and Friends' Weekend.

This recipient fully understands that her responsibilities to the students surpass the classroom and the office, and she always makes sure everything is ship shape in the Office of Student Affairs. She always goes that extra mile to support us, even if it is a welcoming smile or offering a kind, listening ear.

"A jack of all trades" is what some might refer to her as, for she is not only the Dean of Student Affairs; she has also taught classes here at Lasell, has been a First Year Seminar Advisor, and has conducted workshops at the school for her students.

So to Dean Austin - on behalf of the student body - thank you. Your commitment to us and our community here at Lasell is greatly appreciated and we look forward to you being here with us for many years to come.

Letter to the President

THOMAS DE WITT

Lasell College has evolved incredibly over the last two decades, and President Thomas E. J. de Witt has used his monumental leadership skills to oversee the wonderful changes that have occurred. Central to these changes, were the transitions from a two-year junior college to a four-year baccalaureate and master's degree granting institution; and from a single-sex college to one that is co-educational. Although President de Witt will be sorely missed after his departure in June 2007, we are able to take comfort in knowing that we had the opportunity to get to know this great leader and to learn by the examples he set. We wish him a happy retirement, and offer him many thanks for the extraordinary years that he spent here in the Lasell community.

Congratulations Men's Soccer team!

The men's soccer program earned their second trip to the NCAA DIII tournament after defeating Elms College 2-1 in the NAC Championship. Among the highlights this season were an 11 game winning streak which led to their 15-6 overall record as well as a perfect 10-0 record in the NAC. Head coach Giovanni Pacini was named NAC co-coach of the year for the third time

in his ten year career at Lasell College. For their efforts throughout the season, five players were also named to the All-NAC First Team including senior midfielder Andy Roch (Coventry, RI), junior midfielder Brian Whelan (Weymouth, MA), sophomore forwards Jeff Danso (Worcester, MA) and Zach Gagne (Somerset, MA) and rookie goalkeeper Julian Dutton (Madison, CT).
